

Price List - From the 01 Oct 23	
DEVICE	Monthly (non-VAT)
<p>Gold Enhanced Digital IP Andi Hub “Lifeline plus” (supplied with one pendant). Our most advanced hub that can connect to any peripheral type from virtually any manufacturer via RF868, WiFi, Bluetooth, Zigbee, and Z-Wave. Andi’s hub contains software which enables peripherals to command one another. For example, Andi’s hub could command a smart lightbulb to turn on when a door sensor is activated. Uses a built in SIM card (included in price) to raise alerts and calls to our 24 / 7 monitoring centre over the cellular network, incorporating the most robust and up to date technology to keep you safe.</p>	£40.00
<p>Silver Dual Path Digital IP Lifeline Hub This device uses a built in SIM card (included in price) which means it will work for over 24 hours in a power cut as it dials over the cellular network and does not rely on power to your broadband router. (supplied with one pendant). Like the Gold option allows telecare sensors (below) to be added to your package but not WiFi, Bluetooth, Zigbee, and Z-Wave devices.</p>	£29.50
<p>Analogue Lifeline or Bronze Single Path Digital IP Lifeline Hub (Analogue PTSN or Ethernet via Router) (supplied with one pendant) This alarm requires power to your Broadband Router to place a call or alert to our 24/7 monitoring centre. Our entry level hub.</p>	£18.01
<p>GPS mobile device (SOS, geofencing and fall detection) A device that you can use out of the home (includes help button, geofencing’ location information, and built in fall detection). Requires charging daily by placing on the base station whilst at home</p>	£33.87
<p>Ownfone (Mobile Telecare) A simple mobile device with call for help but with no location information. Requires charging daily by placing on the base station whilst at home</p>	£26.03
<p>Carer Pager This will alert someone else who lives with you. This device does not alert or call our 24 / 7 monitoring centre and simply lets your on-site family or carer that you need help</p>	£11.54
<p>Additional Pendant An Additional Pendant for adding to a Bronze, Silver, or Gold package.</p>	£3.45
All our additional sensors are wireless and available for you to add to any of our Gold, Silver or Bronze hubs or carer pager:	
<p>Fall Detector (wrist worn) A wrist worn critical falls device that will detect certain categories of falls and automatically activate a call or alert via your hub to our 24/7 monitoring centre or carer pager. Incorporates a help button for manual activation.</p>	£7.51
